### **Philosophy**

As a boutique winery, we don't have to stick to any genre or traditional norms. The wines are crafted with the sole purpose of highlighting the best of each vintage. For Silent Ode we highlight the underbelly of Bordeaux and showcase Cabernet Franc and Petit Verdot as the stars of this blend.

### **Description**

Cherries, Shishito peppers and cocoa nibs launch this blend, trailed by currants, cardamom, leather and blackberries. Sturdy tannins give the mouthfeel and finish a rich and long-lasting presence as well as great structure.
